This group is a place for parents who are in Consensual Non-Monogamy and/or Kink Relationships to discuss the challenges and strengths of doing the job that we take most seriously of all - parenting our children.

- What messages have you received about being in a non-traditional relationship while also being a good parent?
- What questions do you have and what experiences would you like to share?
- The group facilitator encourages collaboration and is trained in lifespan development, attachment theory, and mindfulness.
